Career Objective

- My career objective is to excel in my chosen field and continuously learn and grow while making a positive impact on my organization.

Education

- **B.Tech in Computer Science Engineering**

KL University, Vijayawada (2022-2026)

CGPA: 8.76

- **Intermediate**

SASI JUNIOR COLLEGE (2020-2022)

Percentage: 70

- **SSC**

SASI EM High School (2020)

Percentage: 96

Technical Skills

Programming Languages: Java, Python

Scripting Languages: JavaScript

Web Technologies: HTML, CSS

Developer Tools: VS Code, Eclipse

Technologies/Frameworks: Linux, GitHub, Jenkins, Junit

Database: Mysql, Mongo DB

Projects

Online Voting System | *Mern Stack: react, css, html, MongoDB, Git*

March 2024

- Designed and developed a responsive web application for an Online Voting System using the MERN stack, incorporating a user-friendly interface and advanced features to enhance accessibility, security, and efficiency in the voting process.

Online Busticket Booking | *HTML, CSS, Django*

December 2023

- Created a responsive web application for Online-Busticket-Booking using Django. Its user-friendly interface, advanced features, and use of cutting-edge technologies make it a powerful tool in the field of online web applications.
- Processed user inputted information in the back-end of the app to return a subtotal price based on the tickets selected.
- Utilized the layout editor to create a UI for the application in order to allow different scenes to interact with each other.

Remote Internship Management | *Java, Eclipse, JavaFX*

December 2024

- Developed a Java-based web application with key functionalities such as user authentication, data management, and API integration.
- Implemented backend logic using Java and Spring Boot, ensuring scalability and performance optimization.
- Designed and managed relational databases with MySQL/PostgreSQL for efficient data storage and retrieval.

Leadership

- Collaborated with a team of 3 to successfully complete a project, ensuring smooth coordination and task delegation.
- Led discussions and problem-solving sessions, fostering teamwork and efficient project execution.

Certifications

AWS Certified Cloud Practitioner
